Thanks Tom! I see that Bill was able to get us on the calendar for next Tuesday with you and Doug. Looking forward to the conversation.

Good morning Jaime,

I've cc'd our front office assistant to try to find a day/time. I'll have to catch up with Pat or Denise. I haven't heard much regarding the upcoming list and how Highway 100 fits in.

Tom

Hi Tom,

We have been kept up to speed on the Highway 100/CR 3 NPL listing by Pat, Denise and the rest of the EPA team. Kathy Sather, our Division Director, and I were wondering if we could have a call with you and Doug Ballotti (since you are moving to the Water Division). We wanted to get your perspective on the listing process and questions that have been posed during the process.

We were also wondering if the State can provide any additional insight to HQ as to why this listing is so important for the State.

I realize that your schedules are probably tight, so I thought I would provide our availability next week to see if anything lines up:

Tuesday, Oct. 22nd at 2:30-4:30

Thursday, Oct. 24th at 2:30-4:30

Friday, Oct. 25th at 9-10:30

Please let me know if any of these times work for you and Doug.

Thanks!
